Improv Contest Information

New this year to the Mo-Kan-Ne Pre-College Student Leadership Conference competitions is an Improv Contest. This is a rare opportunity for small teams of students to demonstrate creativity, improvisation, communication, presentation abilities, and much more while having fun!

Improv Contest Guidelines:

1. Teams will be made up of at least two (2) people, but not more than four (4).
2. Teams may be all male, all female, or a combination thereof
3. Teams will randomly draw an "object" and a "sound" from a box; they then have three (3) minutes to prepare
4. Teams will have only two (2) minutes to demonstrate their ability to improvise using the items drawn from the box
5. Each team will draw different items; there will enough different items based on the number of teams that register
6. Judging will be based on creativity, use of items, and use of time
7. Participants must agree to appropriate use of items, professional, clean behavior, and honor the judge's decisions
8. The top 2 teams will have the opportunity to demonstrate their Improv abilities Sunday morning immediately following the Volleyball Final game. New items and sounds will be provided. This will be demonstration only as the winners will be chosen from Saturday's competition

All Improv Teams will be recognized for their efforts and participation. However, an award will be given to the first, second, and third place winners.
